DS40PM™

Social networks allow you to upload, edit, and caption your own photos. Unleash these creative forms of expression. Memories Deserve Prints.

Reliable

Sealed dye layers protect against UV light, fingerprints, and liquids. Prints are dry as soon as they leave the printer.

High Quality

High quality dye-sublimation media produced and manufactured by DNP, the world leader in the comprehensive printing.

Fun

Popular and fun, this new media allows social media users to print 4x4" photos that resemble vintage Polaroid® pictures.

Flexible

A 2-inch laser-snap perforation allows for special messaging — vouchers, coupons, wallet-size images, or any other special messaging. Complete creative control of messaging is defined by the photographer!
