Our Mission is to Help Grow and Support **YOUR BUSINESS!**

Only DNP has the expertise and capability to produce industry-leading photo printers and supplies that help your photo business.

DNP Imagingcomm America Corporation (DNP IAM) has built its photo imaging business by fostering successful long-term relationships with customers and business partners. DNP IAM offers a comprehensive range of innovative printer and media solutions that address the needs of retailers, event photographers, and photo booth operators. DNP IAM product and technology solutions are designed with the goal of making high-quality printed photography easy and convenient. Backed by more than 140 years of experience in the printing business, DNP IAM continues to invest heavily in research and development to offer a breadth of industry-leading media products and provide the highest level of service and support.

**“We’ve used DNP Printers since day one!
They offer everything that we wanted as
far as speed, print quality, and reliability.”**

Jonathan Johnson
Founder of SnapSeat Photo Booths

“We know by using DNP, that our customers will get the most reliable, cost-effective solution, and be able to produce the best quality photos.”

Josh Pather – Photo Booth International

Standard Print Sizes

Panoramic Sizes

Unmatched Versatility

If you need even more versatility, the SL620A has the ability to connect to a second DNP printer!

Connect the DS820A, our 8" printer, to enable your customers to print even bigger photos and MAKE MORE MONEY!

IDW520™

ID PHOTO PRINTING IS QUICK, EASY, AND GENERATES HIGH PROFITS.

ID photo printing is one of the most profitable services a photo business can offer. The IDW520 is specifically designed to produce passport and ID photos that comply with federal requirements; thus eliminating rejections and keeping your customers happy. Your all-in-one solution!

IDW520™

OVER 21 MILLION PASSPORTS ISSUED IN 2022 ALONE!

Take advantage of this need by offering passport photo printing. It is one of most profitable services a photo business can offer.

Weight/Dimensions

Approx. 13 lbs.

8"W x 7.75"H x 9.5"D (printer)

6.75"W x 5.75"H x 4.62"D (console with antenna)

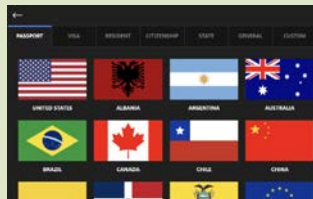

Included Equipment

ID Photo Printer, Camera, Console.
Wireless Transfer Card, Batteries
and a SD Card Reader

Media Size

• 4.5x6" - 19 secs - 150 per Roll

Our ID software does all the work

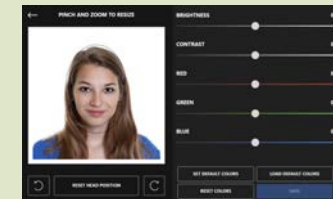

Choose from a vast selection of foreign and domestic passport and Visa output sizes.

The IDW520 software creates a gallery of the past 16 captured images. This allows for easy reprints or changing the template without taking another picture.

The 8 built-in biometric checks automatically adjust head size, position, tilt, crop, and more to ensure the image meets chosen requirements.

Manually adjust color, brightness, contrast, and more to ensure the highest quality photo. The image can also be transferred to a customer's USB.

WCM⁺ PLUS

WCM PLUS

NEXT GENERATION OF THE WIRELESS CONNECT MODULE

Introducing WCM Plus, the cutting-edge evolution of WCM2. Building upon the foundation of its predecessor, WCM Plus brings a new level of wireless module innovation and enhanced capability, resulting in a faster streamlining of your workflow and optimization of your experience.

WCM PLUS

**PERFECT TOOL TO ENABLE WIRELESS
PRINTING AT SMALL TO MEDIUM SIZE EVENTS!**

Compatible with the following DNP printers:
DS620A, DS820A, QW410, DS-RX1HS, DS40, and DS80

Lightning-fast print speed

WCM Plus transfer time for a 4x6 is a quick 10 to 12 seconds.

Print from Multiple Sources.

Many devices can print to the WCM Plus simultaneously, making the WCM Plus a great tool for parties and events.

Print Methods

Airprint, WCM Print, Hot Folder

Crop/Edit Capability

Edit functions include color correction, filters, fit/fill, and drawing tools!

Border templates

Custom borders can be easily loaded, providing fun and unique frames or business branding to promote your business!

Three USB Ports.

Three USB ports enable simultaneous connection of three DNP printers, offering various print sizes and reduced media loading frequency.

LUXURY MEDIA

ACCENTUATES EYE-POPPING COLOR FOR VIBRANT LANDSCAPES, CITYSCAPES, AND PORTRAITS.

Unlock a realm of printing possibilities with DNP's extraordinary Dye-Sublimation specialty media. Immerse yourself in a world where vibrant hues, stunning detail, and enduring quality blend seamlessly to transform your prints into awe-inspiring visual marvels.

LUXURY MEDIA

DISTINCTIVE, EYE-CATCHING, GLOSSY METALLIC OR SILVER PEARL APPEARANCE, WITH AN OUTSTANDING HIGH QUALITY PRINT.

Metallic Media

Diverging from conventional photo papers, the Metallic Luxury Media Set offered by DNP presents an exclusive visual appeal, broadening your scope of fine-art printing possibilities. With its metallic color layer, the paper intensifies colors and enriches contrasts, resulting in dynamic visuals with added depth. This rendering makes the paper particularly fitting for a range of subjects including portraits, landscapes, cityscapes, and office art.

Silver Pearl Media

Enhancing portraits with true-to-life skin tones and gently softened edges, the Silver Pearl Luxury Media Set by DNP elevates the nuances of each image, crafting an exquisite artistic aesthetic. This exceptional photo paper is particularly ideal for portraiture and wedding photography, embodying a refined elegance.
